TAKE NOTE...

Mount Saint Joseph's Philosophy

Mount Saint Joseph Academy is a Roman Catholic, state approved secondary school. The Academy is "A Place to Belong" that welcomes all students, and provides a quality education based on Catholic Christian principles.

As an academic community our main goal is to educate the whole person through intensive curricular, co-curricular, and athletic programs. The academy invites all students to share their gifts and talents for the betterment of the community and the world.

We believe in the principles of compassion and justice. Mount Saint Joseph believes in creating a religious and moral environment where young people grow to a faith-filled, Catholic Christian maturity that helps them to achieve personal wholeness and to provide effective service to others.

Yearbook Dedication

Dear Mr. Aleman,

The class of 2006 would like to thank you for all of your support and dedication that you have given to MSJ in the two years that you have been here. Whether in the classroom or at the sports games that you have not yet failed to attend, you never hesitate to give us your time and a warm smile. You have found a way to be not just our teacher, but also our friend, and with you there is never a dull moment. You are interested in your students' lives inside and outside of school, and it is apparent that you care about our success. Thank you, Mr. Aleman, for all that you have done and all that you will do. You will always be in our thoughts.

Sincerely,

The Class of 2006

To the Class of 2006:

In the blink of an eye our school year will be coming to a close, and another chapter in your lives will be complete. What will you remember...what will you say down the road about your experiences at Mount St. Joseph Academy? What legacy will this year's senior class leave to those who follow? What have we left etched in your hearts and minds that you will reflect upon and refer to as your future unfolds? These are some of the questions I ask myself, as you, my first class, pass through these doors as students for the last time.

My hopes are that you will remember friendships made and life-lessons learned – inspirational teachers who challenged you to think beyond the obvious and learn beyond the expected, adventures that brought your class together and performances that spotlighted your talents. I hope that you will remember the achievements that may not have come easily and the self-confidence that grew when an accomplishment was realized. I hope you remember the laughter, the times shared celebrating and the time spent comforting each other in sorrow.

In the years to come, I hope to hear you say that MSJ provided you with a caring place to belong, to learn, to grow, and to discover...a place where the entire faculty and community came together to care about your successes and dreams...a school that expected much, yet was a place that gave more.

The legacy that your class leaves with all of us is your uplifting spirit, your desire to accomplish great things, and your model of benevolence and giving to those less fortunate and in need. Unity and character, coupled with your need to achieve and zest for life, defines your class.

Your faith is God's greatest gift to you. Cherish it, nurture it, and live it. My prayer for you is that when hardships and sadness come your way, you will lean on Christ to help you overcome them. For this will be your true solace. Your faith will mature as you do. Keep open to it, and it will be there for you when you need it. Believe in yourself, for you can't always control what happens in life, but you can always choose how you will react. Believe in your God, hold Him close to your heart and call on Him often.

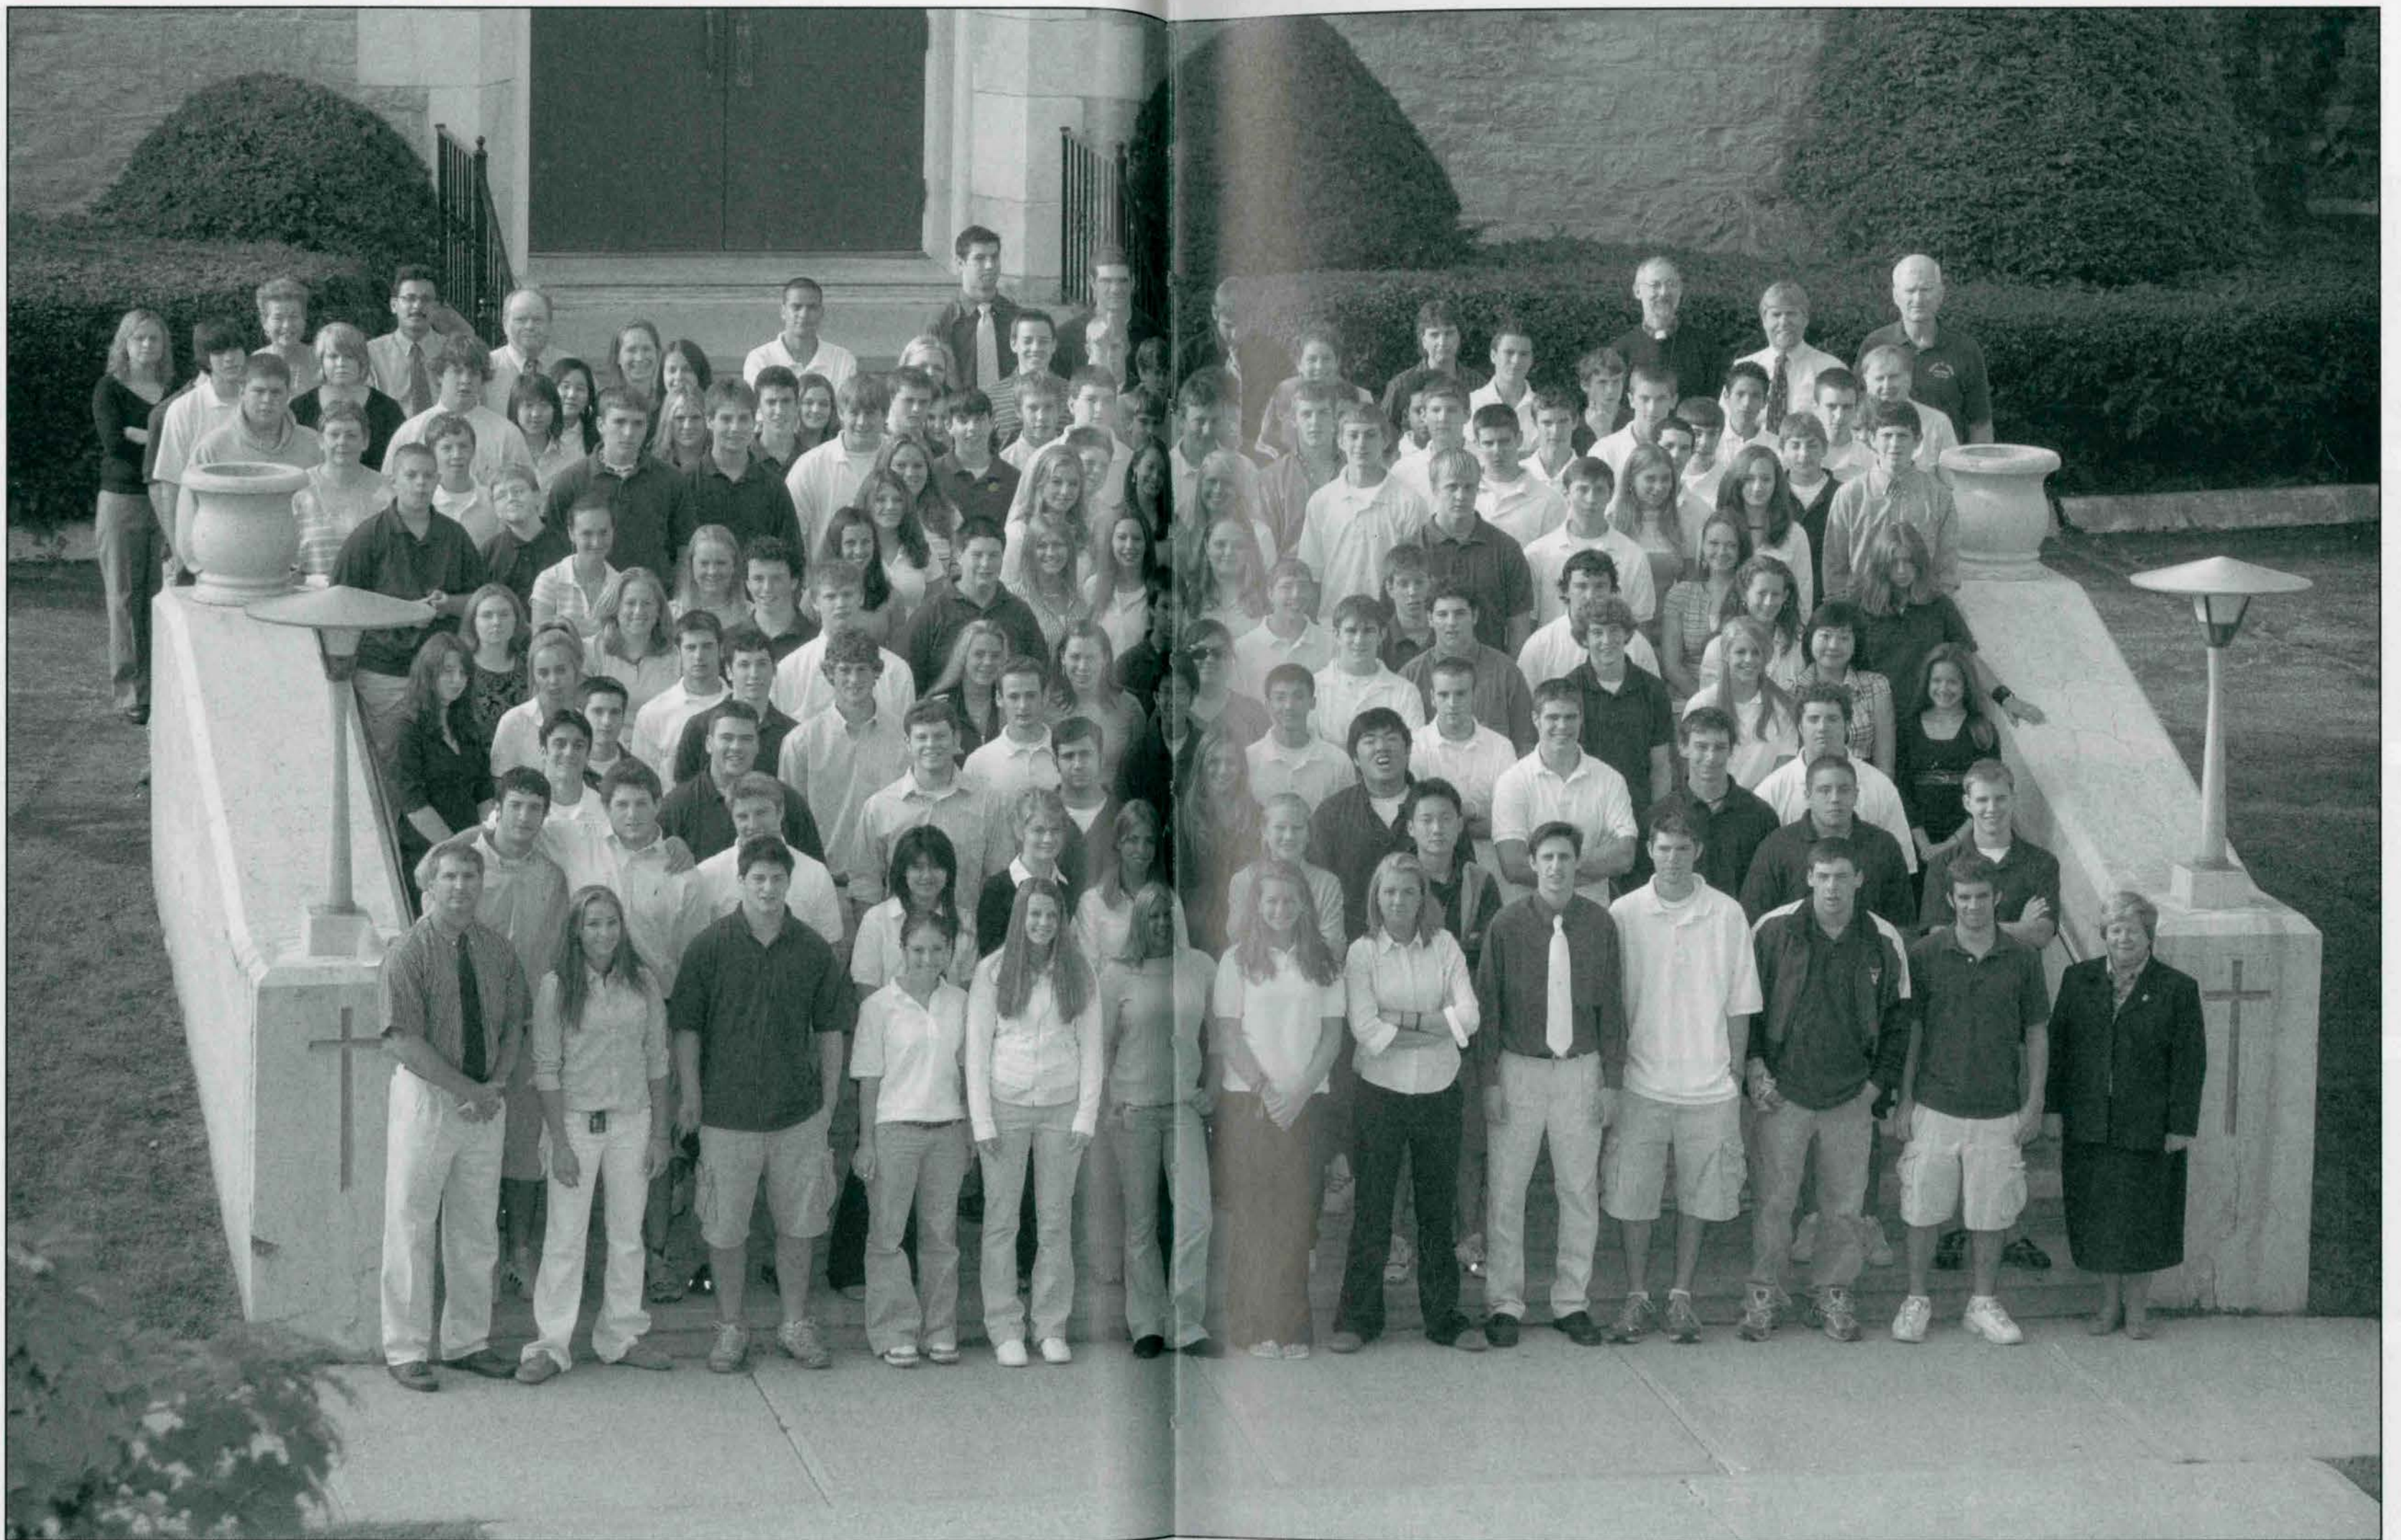

As you move on to your next adventure, my hope is that we provided you with opportunities to experience the tenets of our mission: the education of the whole person, that Mounties are self-confident and resolute, and to create a just world. These are the ingredients for a fulfilling and successful venture through life...these beliefs are what we have tried to etch in your hearts and minds to guide and prepare you for a bright, happy, and successful future.

Remember, I'm only a phone call, a text message, or an email away. Even though you've walked through the glass doors, your reflection lingers and you will not be forgotten! This will always be "The Place Where You Belong".

Enjoy LIFE and all its adventures! I will miss you.

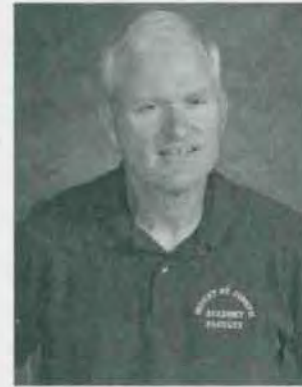

Blessings,

Sr. Kathy

Walking Through The Woods With You

Walking through the woods with you
So glad that this wish has come true
We sit together beneath the stars
No disturbing sounds of buses or cars
It's cold but that's alright
Because you're holding me tight
I watch the stars up in the sky
I forget everything that has made me cry
Because you're by my side
And my heart is full of pride
The sun rises and shines through the trees
I'm so glad I'm not standing on these
trembling knees
The birds sing with joy and happiness
There could be nothing better than this
Then you pull me close and we kiss
By: Megan Bates

"Your eyes are like the ocean and your smiles
are like the sun. You're the shine in my life"
Kina (Kristina) Lee

I am the dark red rose. . .

so dark, almost black

layered with dust

forgotten. . .

beloved, and feared

watched, but never touched

I sit upon the pedestal
always watching and waiting

always waiting for you. . .

time is endless

for you. . .

I show my age
weathered, losing my once
great strength.

Shall I wither to dead,
to dust, waiting endlessly
for whom?

for you. . .

to quench my eternal thirst.

to care for the self-inflicted thorns,
embedded in my heart.

To love my battered soul.

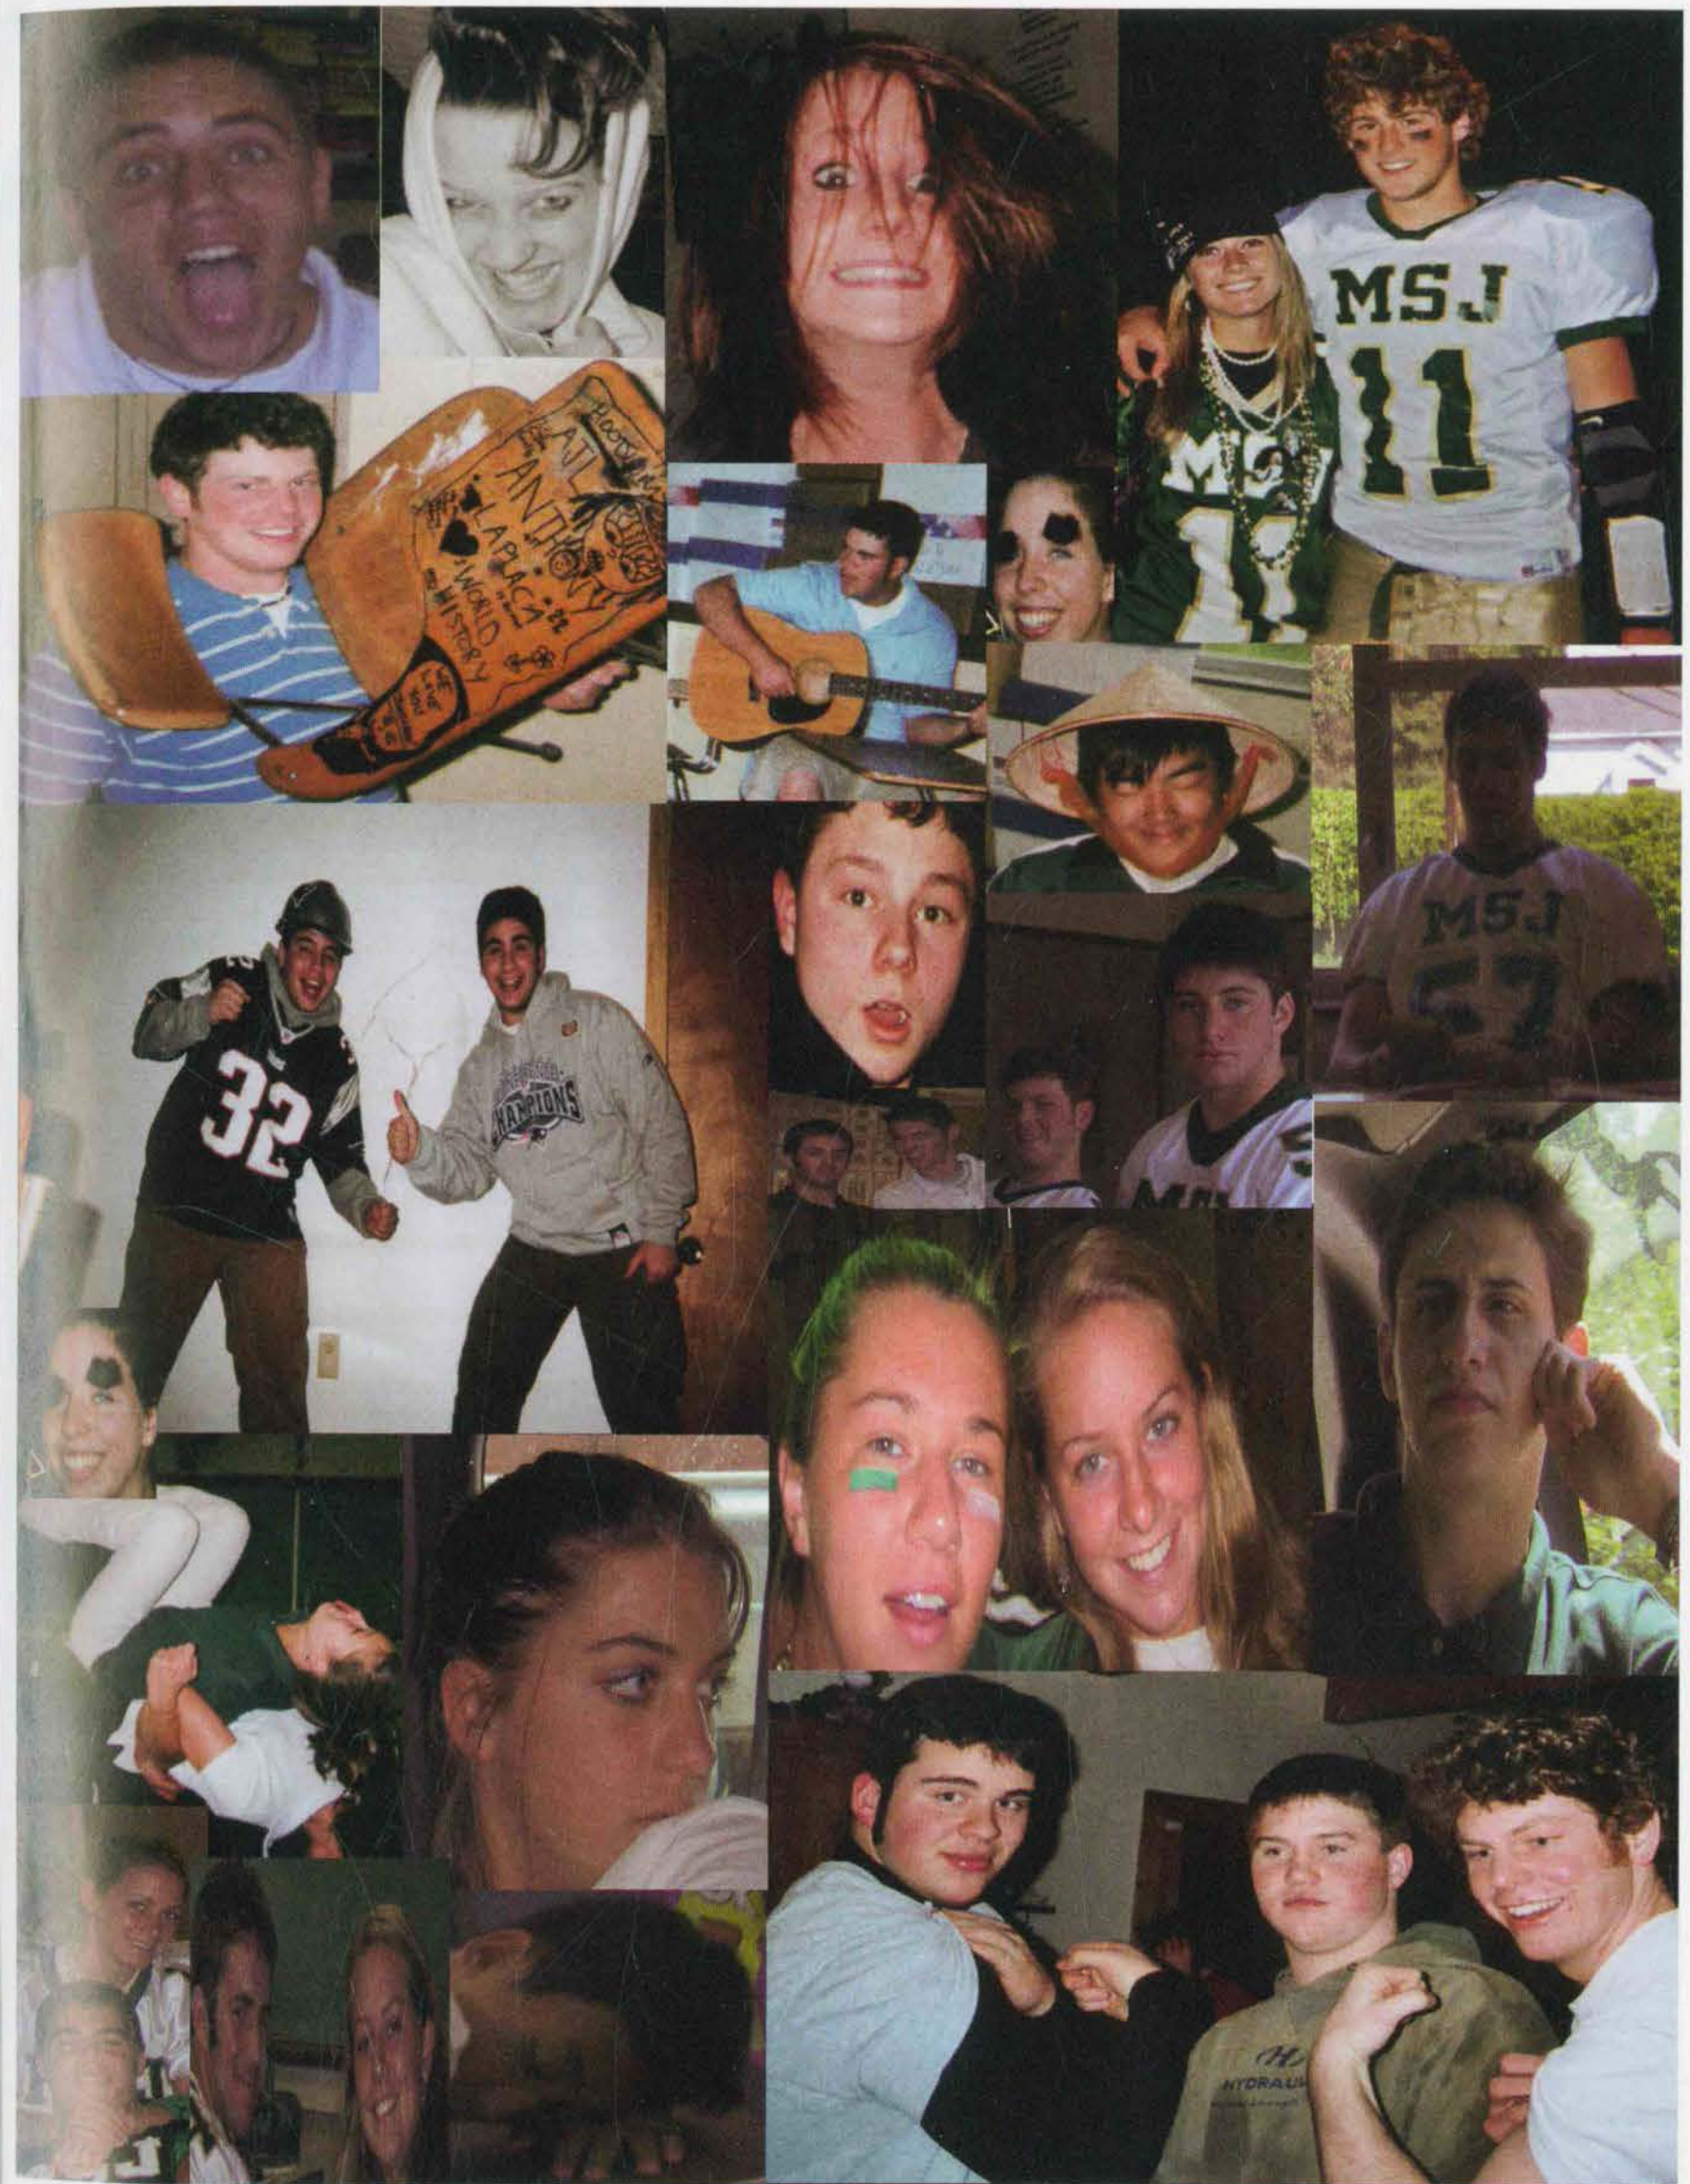

to love the dark dark red rose, once again.

Senior Horoscope

Where and what our seniors will be 10 years from now...

Aquarius January 20-February 18

Hyung-Rae Roh- I will be coaching the MSJ Soccer Team and having a 14-game winning streak. I will also win the coach of the year award.

Sarah Holland- I will be in either Australia working in a zoo and training animals, in Florida working in Seaworld training animals or San Diego working in the zoo. And hopefully in 10 years I will be getting my Doctorate in Veterinary Science of Exotic Animals

Kate Daley- Olivia will be supporting me and Caitlin and we'll be living in a huge house on the beach in Florida. We will have our own private beach and sit there all day enjoying ourselves.

Pisces February 19-March 20

Kellie Gilligan- I will be owning my own salon and spa with Naomi, Aimee and my cousin Sarah in New York City. Christin and Lacie will be living with me and Erica will stop by in her science mobile.

Ben Brewster- If things don't work out with my career goals, I will be a ski bum somewhere in Colorado and living out of an old VW van. In the summer I will travel around in Mike Facey's band as soon as he becomes famous.

Ernie Bove- After moving to British Columbia with Tom to start a lucrative stove making industry, I will move back to the motherland of Sicily to run my own vineyard in the shadows of Mt. Etna. I will make frequent trips back to the States for my part-time role as co-president of the Bohar Roller Coaster Company.

Aries February 21-April 19

Joe Casella- I will be a foreman running a job at Casella Construction. I will be trying to take the business over so my dad can finally retire. I will also be hunting, fishing, boating and spending time with the Crew, havin' a ball. I will also be happily married to my hot wife and have two kids.

Kristen Markowski- I will be married with two twin boys and a girl, living in a huge house with lots of land, most likely in the New England area.

Taurus April 20-May 20

Liz Forte- I will be living with Alex and we will have 5 kids, a huge house and nice cars. Kate is invited to live with us too!

Jeff Coombs- I'll be fixing Carl's ACL as an orthopedic surgeon because he got lit up trying to tackle Dante Hall or keeping Vermont safe over at Troop C. In my down time, I will be working in the Pit with Race and Pork.

Chris Parker- I will be a Vermont State Trooper. I will also own a hunting store on the side. I will be married and have a few kids with a hot wife. I will still be huntin' and fishin' with the Crew.

McKenzie Dunphy- I will be married with two kids, working as a psychologist, living in Rhode Island.

Alex Marcell- I will be living with Liz Forte and we will have five kids and a huge house and nice cars. Kate is invited to live with us too!

Elizabeth Temple- I will be living in Cape Cod while going to the CANKLE spa in NYC where I will visit Alex after I chase Erica in the science mobile.

Gemini May 21-June 21

Aimee Leonard- I will be owning a spa in NYC with Naomi, Kellie and Sarah, representing Christin and Erica's school by wearing pink and orange, cruising in either Christin's escalade or Erica's science mobile...and I probably won't be a cheerleader for the Dallas Cowboys.

Sangkyu Kim- I will be having a dance battle with Ray!

Wonje Kim- I'll be working hard for some kind of huge international business company. I'll be introducing traditional American customs to immature Asians and changing their lives in a very positive way.

Cancer June 22- July22

Christin Louras- I will be opening a school with Erica, whose school colors are orange and pink and it's called Oxycactus.

Mike Facey- Raw Dog and I will be chillin in our Vail condo, running a restaurant. Otherwise, I will be finding my roots, holding it down at the reservation.

Leo July 23-August 22

Joe Trudeau- I will be out of college with a degree in some form of medicine. Kyle and I will have opened an office where he diagnoses and I treat the patients. On the weekends all of us will kick back in our boats and invite anyone around from MSJ to our "Redneck Yacht Club" where we'll fish or hunt.

Tara Flinn- 10 years from now is a long time away...I would hope to be in a meaningful relationship with a well-respected job. I want to be starting to settle down and start a family of my own.

Erica Hodulik- I will be traveling around the US in the science mobile trying to figure out what to do next and taking life as it comes. And I will be wearing orange and pink supporting Oxycactus with Christin.

Curtis Shappy- I will be living just outside of Boston and will be the co-owner of the .400 club at Fenway Park with Mike Behling. I will also have a part time job writing and doing voices for the TV show Family Guy. I will spend weeks at a time in the summer out on my yacht with all my friends. While I am not sailing the high seas, Goat will live on my yacht in a harbor in Florida.

Ploypisut Vichakornkul- I might be still in school to learn about some stuff about Animation. I want to work at a cartoon company. I want to have my own cartoon show. I love to do computer animation and I might want to learn about fashion design too.

Benjamin Scaralia- After my first prophecy was rejected by my parents for content, I have decided to create a second, uninspired prophecy. Because I used all of my creativity on the first, this second prophecy is pieced together largely by accounts of what others see me doing in 10 years. It reads: I will have graduated from Med School and be working in the city to cure mental illnesses. Soon, I will grow a beard and don an eyepatch, join a Medieval Roleplaying group and name myself Vladimir Rorin, Level 24, Bronze Samurai warrior and King of the Nerds. I will die alone, still beautiful, and bitter at the world.

Naomi Roche- I will be in New York City, owning a day spa with CANKLE and being really rich. I will be shopping on 5th Ave and living in a huge apartment overlooking the city...and saving the world.

Libra September 23-October 23

Hayden Lee- I will be in the University of Michigan for four years and two years in the Korean military, and get a job and maybe get married.

Kyle Guyette- I will be opening my own chain of gyms. I will already have had major surgeries on my knee joints, so I will do the next best thing training Pro athletes. I will be happily married to my beautiful girlfriend Marie and still huntin' and fishin' with the Crew.

Andrew Blaum- I'll most likely own a very exclusive chain of luxury resorts. Unfortunately, Kate will slowly be robbing me of my money as my wife. Despite my imminent bankruptcy, Kate will bail me out, as she will be my financial advisor and lawyer.

Truman Young IV- I will be playing in the NFL, or be a psychologist and be married.

Braden Burke- I will be representing MIA with Norman. We will never have to work because Sketch will be our personal slave. Then when Sketch dies I will leave the beach and go visit McGoo in Montana.

Scorpio October 24-November 21

Andrew McGowan- I will be living in a log shanty high in the Rocky Mountains of Montana.

Andrew Kulig- I'll be sitting in Fenway Park as the team trainer of the Boston Red Sox.

Ricky Czachor- I will be chillin', skiing deep and working nights at my restaurant in Vail. Mike and I will have our own condo, skiing in the Rockies and I also will be a part-time groomer. Hopefully, I will have a wife and kids and I will retire as a co-president to Bohar Industries for Roller Coasters with my dearest friend Ernie Bove.

Alejandro Ortiz- I want to be a professional soccer player and play on the team of Spain. And I want to be in the military so I can go on an army plane.

Kevin O'Rourke- I will be an athletic trainer somewhere. Obviously, I will be smiling too!

Sagittarius November 22- December 21

Tom Sexton- After graduating from Pepperdine University in Malibu, CA, I will move to British Columbia where Ernie and I will start a very prosperous business making stoves. Our company will produce wood stoves for the Canadian and New England populations. After reaping the benefits of the wood stove business, I will purchase a yellow 1969 VW Bus, which I will drive cross-country to California, where I will move and settle down. On the beaches of the Pacific Ocean is where I will spend the rest of my days.

Carl Ojala III- I'll be kickin' footballs in the league and keeping tabs on the Offices of Bojala Orthodontics and marrying Kate.

Mike Behling- I will probably be in the MIA with Burke, livin' it up. If that fails, I will ski in Sun Valley with Tom Hanks and Clint Eastwood. Mountie Madness

Mounties nip game Solon

By CHRIS CLARKE
Mount St. Joseph's girls basketball team defeated Solon 24-14 in a game played at the Mount St. Joseph's gym. The Mounties were led by their star player, Kaitlyn Hester, who scored 15 points. The game was a close contest in the first half, but the Mounties pulled away in the second half.

Fun should follow the bullet-proof Mounties

When you give up two short-handed goals to start the first half of a game, you are in a bit of a predicament. That's the case for the Mount St. Joseph's girls basketball team. They were down 12-0 at the end of the first half, but they came back in the second half and won the game 24-14.

CONGRATULATIONS NAOMI LOVE

Chisel in hand stood a sculptor girl
With her marble block before her,
And her eyes lit up with a smile of joy,
As an angel-dream passed o'er her.

She carved the dream on that shapeless stone,
With many a sharp incision;
With heaven's own light the sculpture shone,-
She'd caught that angel vision

Children of life are we, as we stand
With our lives uncarved before us,
Waiting the hour when, at God's command,
Our life-dream shall pass o'er us.

If we carve it then on the yielding stone,
With many a sharp incision,
Its heavenly beauty shall be our own,-
Our lives, that angel-vision.

From your first school day, did we hear - "Life in view - Oh the Joy"
Just think of the beauty you have carved in your first seventeen
years .. We can only wait in awe for *your* angel-vision.
Our Love and Pride always. MOM and DAD xox

NEWS

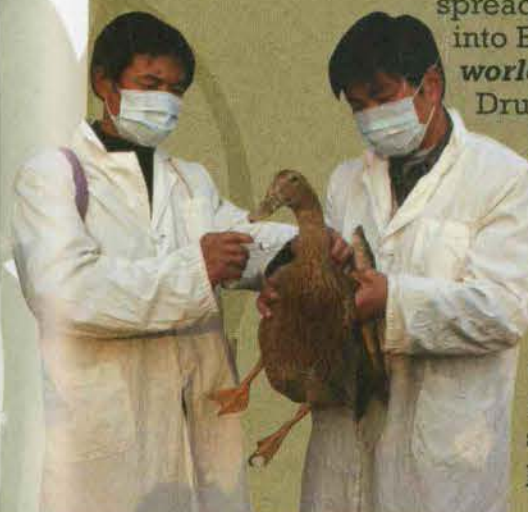

Hurricanes Katrina and Rita were just the beginning of the headlines this year - thousands of displaced Americans, devastation along the Gulf Coast and the government's response to the disaster kept a rapid-fire array of headlines and sound bites coming at us in the months that followed.

SADDAM STANDS TRIAL The trials of **Saddam Hussein** are being held under the Iraqi Special Tribunal. Tried for war crimes, crimes against humanity and genocide, he could face the **death penalty** if convicted.

AUTHORITIES SUSPECT FOWL PLAGUE

A virulent strain of **avian flu** spreads from Asia into Europe, causing **worldwide panic**. Drug companies jump to develop a vaccine for the H5N1 strain which infects humans as well as birds. Millions of birds are euthanized in an effort to slow the virus's progress.

SUPER-SECRET SPY STUFF

President Bush admits that he ordered **telephone taps** of private citizens, raising ethical as well as **constitutional questions**. Representatives on both sides of the aisle call for a joint inquiry by the Senate judiciary and intelligence committees on what may be **violations of First Amendment rights**.

IRAQ THE VOTE

Despite terrorists' threats to attack polling places, millions of Iraqis vote for new leaders in the country's first **free election**.

BOMBING IN AMMAN, JORDAN

Al-Qaeda in Iraq claim responsibility for a series of coordinated **suicide bomb attacks** on three hotels in Amman, Jordan. The attacks kill 60 people and injure 115 others.

Tom DeLay, House Majority Leader, resigns his post after being indicted by a Texas grand jury on charges of conspiracy to fund part of a 2002 election in his home state with corporate money. The election succeeded in amending congressional districts in Texas to favor Republican candidates.

THE RIGHT TO REMAIN SILENT

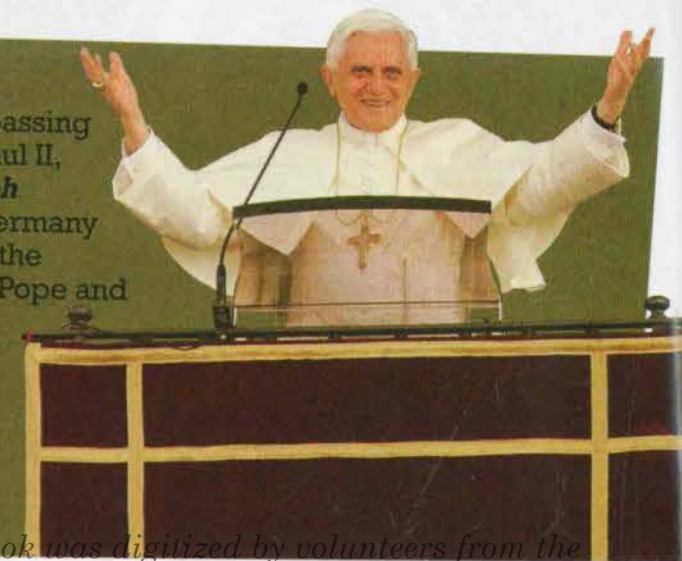

Invoking the First Amendment, journalists **Matthew Cooper** and **Judith Miller** refuse to divulge sources in a story that claims

the White House "outed" CIA operative Valerie Plame in retaliation for her husband's unflattering comments on Bush's war rationale.

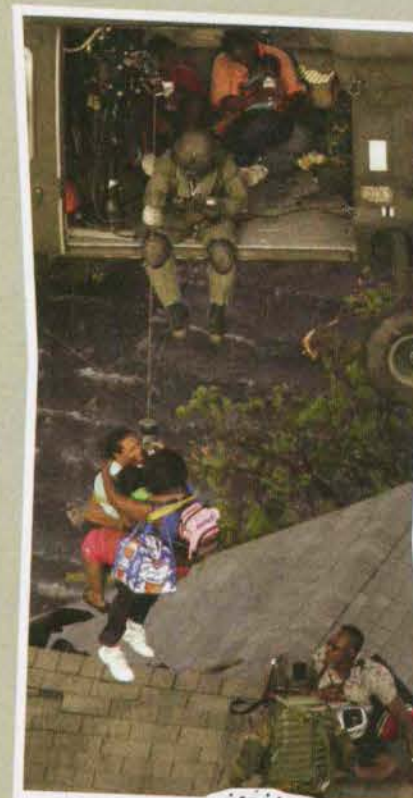

NEW POPE

Following the passing of Pope John Paul II, **Cardinal Joseph Ratzinger** of Germany was elected as the 265th reigning Pope and sovereign of Vatican City.

KATRINA'S DESTRUCTION

Hurricane Katrina causes widespread devastation along the Gulf Coast. Cities such as New Orleans, LA; Mobile, AL and Gulfport, MS bear the brunt of Katrina's force. Causing over \$200 billion in damage, leaving over 8 million people without homes and taking the lives of over 1,300 people, it is **one of the most destructive storms** to hit the United States in the past 100 years.

Over 80% of New Orleans was under water due to breached levees, which will cost an estimated \$3.1 billion and take up to two years to rebuild.

KATRINA'S REFUGEES

Convention centers and stadiums in Louisiana and Texas house hundreds of thousands of hurricane Katrina refugees. Reports of **unsafe and unsanitary conditions** garnered national media attention and increased criticism of the federal government's slow response.

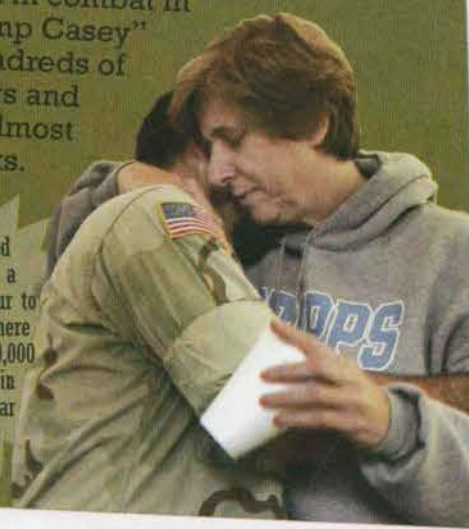

The European space probe Huygens lands on the surface of Saturn's largest moon, Titan, after a seven-year, 2.2 billion-mile journey through space. The probe touches down in "Titanian mud" and continues to send data for about 90 minutes after reaching the surface.

CINDY SHEEHAN PROTESTS

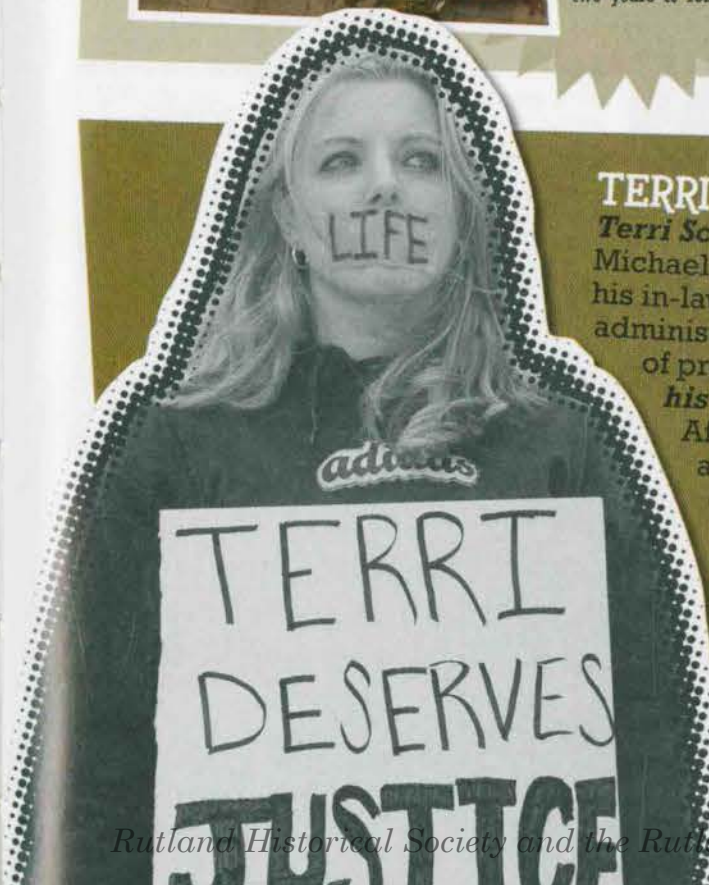

Cindy Sheehan attracts international attention for her extended **anti-war demonstration** outside President Bush's ranch in Crawford, TX. Sheehan is the mother of the late US Army Specialist Casey Sheehan, who was killed in combat in Iraq. "Camp Casey" draws hundreds of supporters and lasts for almost four weeks.

Sheehan followed her protest with a three-week bus tour to Washington, DC, where a rally of over 100,000 people marched in protest of the war in Iraq.

TERRI SCHIAVO

Terri Schiavo's husband, Michael, squares off against his in-laws, the Bush administration, and thousands of protesters to **remove his wife's feeding tube**. After her death, Terri's autopsy confirms her doctors' prognosis that the **vegetative state** in which she had lived for fifteen years was irreversible.

ONE BAAAAAD TISSUE DISPENSER

Scientists discover soft tissue, including blood vessels and cells, in a 70-million-year-old fossilized **Tyrannosaurus Rex** thigh bone.

NOT GUILTY!

Michael Jackson is acquitted of child molestation, conspiracy and alcohol charges that could have sent the singer to prison for nearly 20 years.

MUSIC

How did you hear about 'em? Did you see them on your favorite TV show, on MySpace®, or did you spot their album while you were in line for a latté? Due to a saturated market, many artists are happy to receive plugs from other media outlets. And it seems to be working - the league of popular musicians is becoming more and more diverse.

X+Y-MEGABUCKS
Coldplay's album *X&Y* debuts at the top of the charts, and stays there for three weeks.

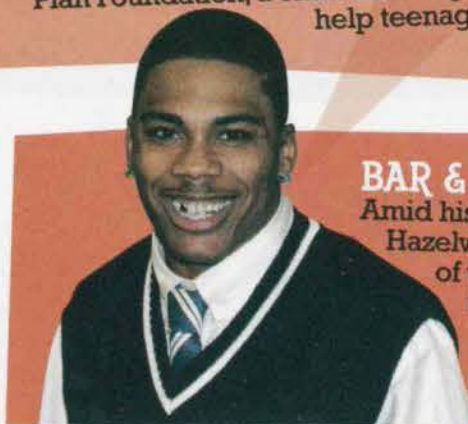

SOMEBODY CALL A CAB?
After 5 LPs, people finally start taking notice of indie darlings *Death Cab for Cutie*. Having frequent mentions on *The O.C.* probably didn't hurt, either.

GOLDEN BOY Jamie Foxx records *Gold Digger* with Kanye West, releases his 2nd CD, *Unpredictable*, and grabs a Grammy® nomination for *Creepin'*. Oh, he's a pretty good actor, too.

BAND WITH A PLAN Canadian power-pop rockers *Simple Plan* launch The Simple Plan Foundation, a charitable organization to help teenagers in need.

BAR & GRILLZ
Amid his plans to open a restaurant in Hazelwood, MO, and the launch of his line of women's jeans, *Nelly* still finds time to nab his fourth #1 single, *Grillz*.

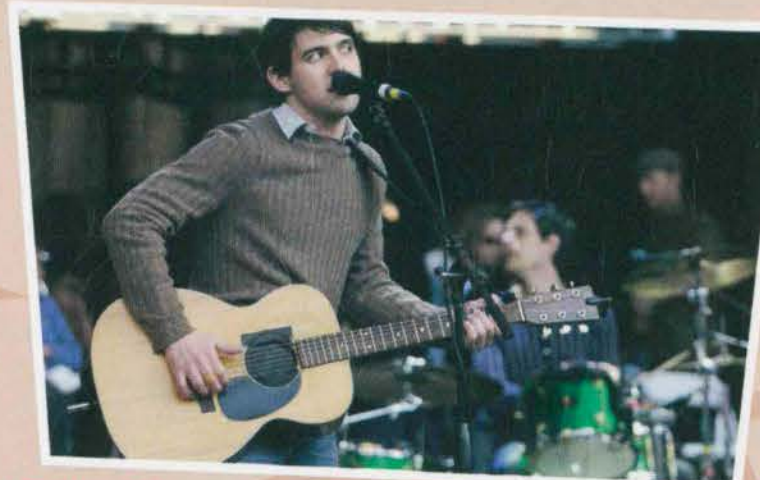

HE SHOOTS, HE SCORES!
Pop heartthrob *Ryan Cabrera* releases his second CD and begins shooting *Score*, his new reality game show on MTV. The show gives aspiring musicians a chance to find love through music - they have one day to write a song to win a date with a girl!

Ryan's first CD, *Elm St.*, was recorded with studio time purchased for him as a gift from his brother, Marc.

THEY GET IT STARTED...

...and now *The Black Eyed Peas* are hard to stop! They keep it going with four Grammy® nominations, a tour with Gwen Stefani and another hit single!

DO THEY SHOOT LASERS, OR ARE THEY JUST BRIGHT?
Conor Oberst and his band *Bright Eyes* release three albums in 2005 as part of their attempt at world domination.

MARY MARY, QUITE EXTRAORDINARY

The Breakthrough, one of the top five debuts of the year and *Mary J. Blige's* 7th studio album, debuts at #1 and sets new sales records for an R&B solo female artist.

CHECK YOUR NECK
Gretchen Wilson strikes a chord with audiences everywhere with her hit single *Redneck Woman*. As a result, her debut album is released earlier than planned and debuts at the top of the country charts.

Gretchen built her career by being herself and hasn't changed since becoming a star - she proudly shops at Wal-Mart® and eats at McDonald's®!

HOLD ON TO THAT FEELIN'

Twenty-five years after its release, *Don't Stop Believin'* puts the '70s rock powerhouse *Journey* on the iTunes Most Downloaded chart after the song appears in an episode of MTV's *Laguna Beach*.

THE RESURRECTION OF A CAREER

Mariah Carey returns to the forefront of popular music with the release of *The Emancipation of Mimi*, and becomes the second solo recording artist in history to place *seventeen* singles at #1 on the U.S. charts.

RIP-ROARIN' RASCALS

Rascal Flatts is country music's top vocal group, and they spend a record-setting one-third of 2005 at #1 on the radio singles charts.

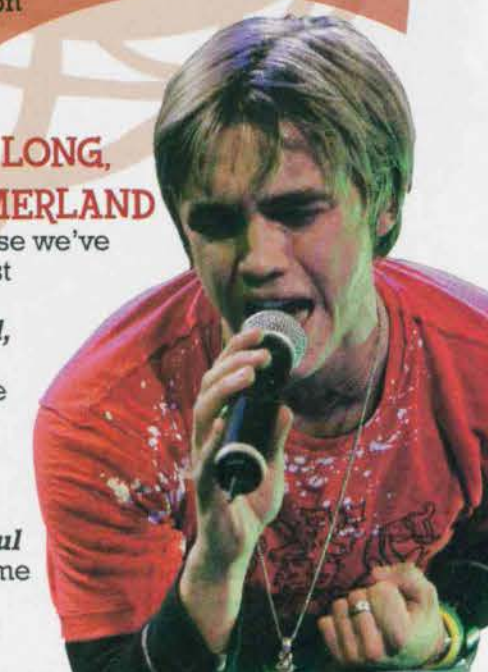

BETTER ROCKING THROUGH CHEMISTRY

Students across the country pick *My Chemical Romance* for top honors at the 2nd annual MTV-U Awards, and the band's business-goth style is immortalized in 5-inch-tall action figures.

SO LONG, SUMMERLAND

Just because we've seen the last of The WB's *Summerland*, don't think we've seen the last of *Jesse McCartney*. Now the singer with a *Beautiful Soul* has more time to record and tour!

MOVIES

They're not called "remakes" anymore; they call them "re-imaginings." Whatever label you give them, Hollywood has combed the archives and come up with several stories in need of a makeover. The Duke Boys, the Smiths, the candy-man, the Love-Bug, the convicts and the king of the monkeys all got a facelift for 2005.

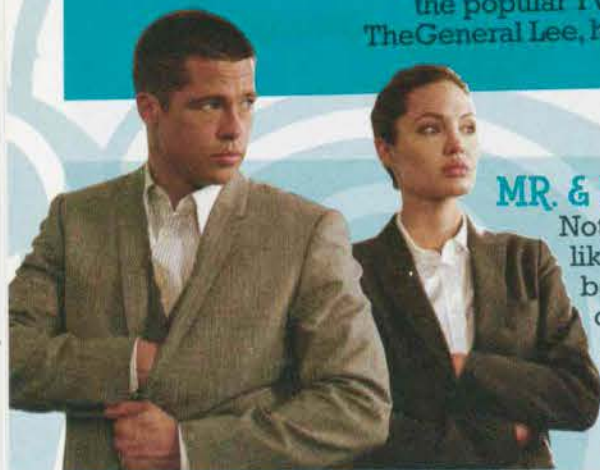

GREAT GOBLET'S OF FIRE!

Harry Potter is mysteriously chosen to compete in the Triwizard Tournament where he faces not only the competition but the evil Lord Voldemort and his minions.

THRILLBILLIES

Bo, Luke, Daisy and the rest of Hazzard County get fresh new faces in the Hollywood retread of the popular TV series **The Dukes of Hazzard**. The General Lee, however, continues to be played by a 1969 Dodge Charger.

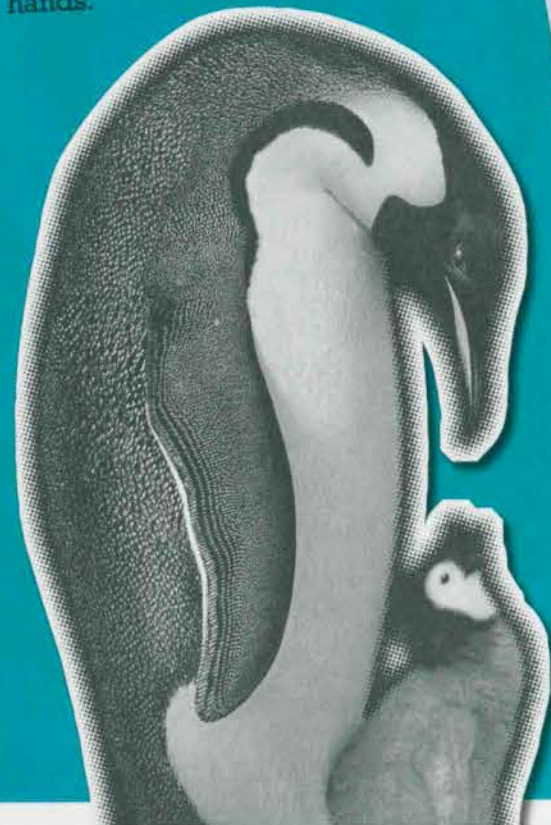

MR. & MRS. SMITH

Nothing spices up a marriage like learning that secretly you're both assassins hired to kill each other. Co-stars **Brad Pitt** and **Angelina Jolie** prove their on-screen chemistry isn't just an act by announcing they are engaged and having a baby.

MARCH OF THE PENGUINS

You'd sleep through it if they showed it in Life Science class. But let **Morgan Freeman** handle the narration and slap it on a DVD, and you've got a **captivating documentary** on your hands.

Andy Samberg & **Chris Parnell** know how to spend a lazy Sunday at the movies. Their Saturday Night Live "Lazy Sunday" rap video was offered as a free download on iTunes, spreading the word about Magnolia's bomb frostings to inboxes everywhere.

McADAMS LOVES GOSLING

After filming the love story **The Notebook**, **Rachel McAdams** and **Ryan Gosling** stay in character long enough to begin dating and announce their plans to be married.

AND WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

In **Star Wars Episode III**, Anakin Skywalker falls prey to the temptations of the Dark Side to save the girl he loves, thus becoming the sinister **Darth Vader**.

This yearbook was digitized by volunteers from the

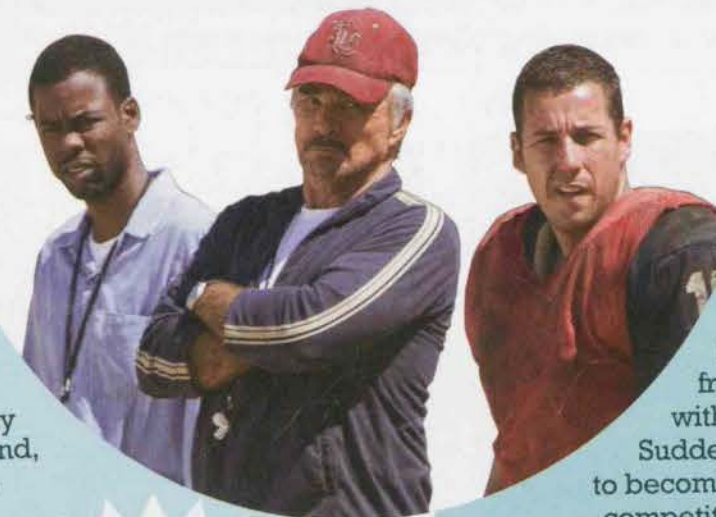

WALK THE LINE

Joaquin Phoenix and **Reese Witherspoon** sing every note of their roles themselves in live performances that capture the spirit of the music that drove **Johnny Cash** and **June Carter**'s relationship.

THE LONGEST YARD

It was hard to put a team together... until they found out who they were playing. In **The Longest Yard** prison inmates form a football team to challenge the prison guards.

MMM... DELICIOUS EYE CANDY

In **Charlie and the Chocolate Factory**, five lucky children win a guided tour of **Willy Wonka's** legendary candy-making facility where they discover all the secrets of Wonka's crazy world, scrumptious candies and, of course, **Oompa-Loompas**.

Tim Burton only cast one person to play the hundreds of Oompa-Loompas: **Deep Roy**.

ONE. BIG. MONKEY.

The eighth wonder of the world! An overly ambitious movie producer coerces his cast and crew to travel to mysterious Skull Island, where they encounter the mighty **King Kong**. Peter Jackson directs the remake of the classic tale of a gargantuan lovestruck gorilla.

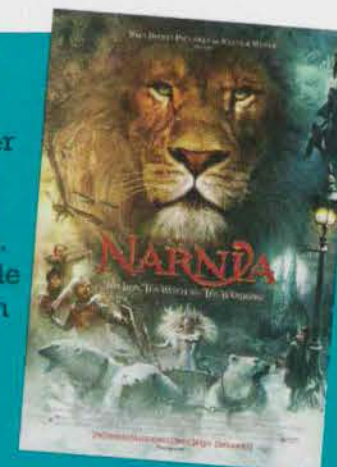

GET YOUR MOTOR RUNNIN'

In **Herbie: Fully Loaded**, **Maggie Payton (Lindsay Lohan)** brings home a freewheelin' Volkswagon with a mind of its own. Suddenly, she's on the road to becoming a **NASCAR** competitor!

PUTTING THE "WAR" BACK INTO "WARDROBE"

Lucy, Susan, Edmund, and Peter enter a wardrobe and discover the magic of **Narnia**, where a White Witch has kept the land in winter for 100 years. Legend says that the kids will be able to break her spell, but not without an **epic battle**.

SISTERHOOD OF THE TRAVELING PANTS

Four best girlfriends hatch a plan to stay connected during their first summer apart since they were babes; they pass around a pair of **secondhand jeans** that fits each of their bodies perfectly.

FUN WITH DICK AND JANE **Jim Carrey** & **Téa Leoni** did not fall in love with each other during the filming of this comedy.

Rutland Historical Society and the Rutland Free Library.

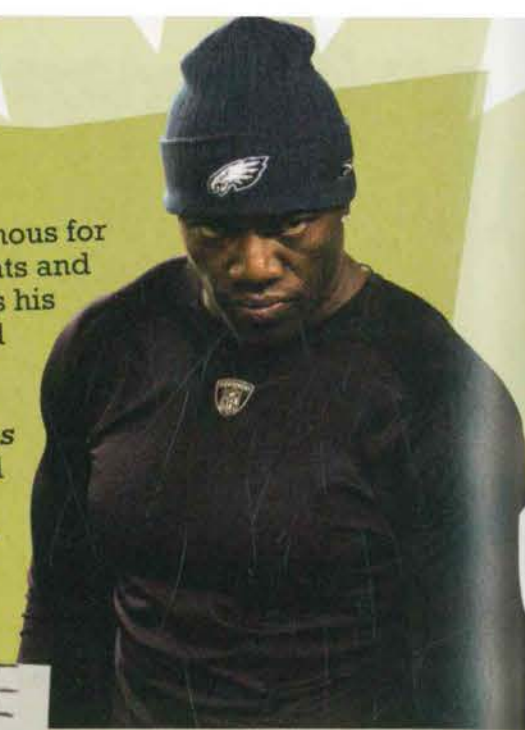

SPORTS

Athletes are driven by the desire to be the first, fastest, or best of their breed. And every year, it shows in the milestones they achieve. Lance broke his own Tour de France record, Michelle Wie made record-setting endorsement money and Danny Way went out of his way to put his name in the record books. But only time will tell how long they stay on top of their game.

TO GETS A TIME-OUT

Terrell Owens, famous for his phenomenal stats and arrogant antics, has his 2005 season ended early after being suspended by the **Philadelphia Eagles** for four games and then not being allowed back onto the team after the suspension.

RECORD COLLECTION

Danny Way already holds six world records in skateboarding, but in 2005 he sets a new world record: he is the first person to **leap the Great Wall of China** without a motor vehicle and land successfully. (Just for good measure, he completes the jump five times.)

BEST IN THE GALAXY

The Los Angeles Galaxy wins its second Major League Soccer championship in four years by defeating the New England Revolution 1-0 in overtime.

HOCKEY IS BACK!

After being locked out for a year, the **NHL players and owners** settle their salary negotiations and **pro hockey** returns for the 2005-2006 season.

STEROIDS BAD

Major League Baseball cracks down on **steroid testing** and suspends several players, including Baltimore Oriole Raphael Palmero, who had earlier testified in court that he "has never used steroids." Raffy comes off his suspension to **mixed emotions from fans**.

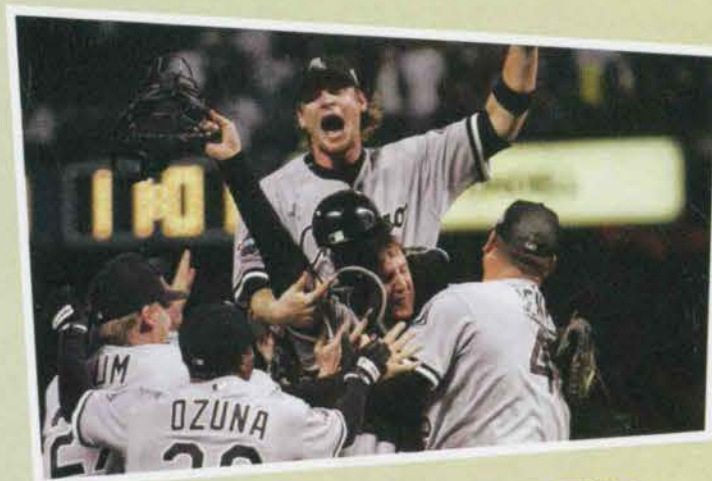

THINK SHE'LL BUY A CAR?

Less than a week before her 16th birthday, **Michelle Wie** announces that she will play golf professionally. With sponsorship contracts from Nike and Sony worth more than \$10 million per year, she'll also be the **highest-paid female golfer** in the world in terms of endorsements.

LANCE CONQUERS FRANCE

After winning his record-shattering seventh consecutive Tour de France, **Lance Armstrong** retires from professional cycling, and announces his engagement to singer/songwriter Sheryl Crow. Five months later, they officially split up, ending their two-year romance.

SOX SWEEP ASTROS TO WIN THE 2005 WORLD SERIES

The **Chicago White Sox** defeat the Houston Astros 1-0 in Game 4 of Major League Baseball's 2005 **World Series**. The White Sox sweep the Astros in four games and win their first World Series championship since 1917.

The **2006 Olympic Winter Games** are held in **Torino, Italy**. More than 2500 athletes from around the world compete at 15 different sporting events, including the popular **snowboarding** and freestyle skiing events.

KIMMIE MEISSNER steals the show at the 2005 **US Figure Skating Championships** by landing the Triple Axle. She's the first US woman in 14 years to land the difficult jump during competition.

GADGETS

As we continue to consume and produce mass amounts of digital media – downloading mp3's, snapping digital pix, streaming satellite radio and mastering one video game after the next – we need to upgrade our gadgets. Because really, a computer is just a giant Solitaire machine until you plug your camera, iPod®, phone and television into it!

SIT! STAY! ROCK! The **I-Dog®** responds with lights, sounds and movements to whatever music you feed him. Popular among music lovers and dog lovers alike.

BUH-BYE, TV!

With a giant LCD screen, outstanding speakers, and integrated media center, the **Dell® XPS 600™** is actually a home theatre in disguise!

IF HUMMER® MADE A LAPTOP

BUT IT'S ALSO A...

More and more **cell phones** pull double-duty as personal organizers, mp3 players, instant-messengers and web browsers.

Rutland Historical Society and the Rutland Free Library.

TELEVISION

Just as noteworthy as **what** you watched in 2006 is **how** you watched it. Did you catch an old TV show in reruns, or did you just buy the DVDs? Did you watch it when it aired or did you "TiVo® it" and watch it whenever you had time? Or did you eliminate the television entirely and download your favorite show to your iPod®? All of these options challenge networks to create shows that capture your attention – so 2006 brought plenty of good TV to enjoy.

SINGING CARRIE OKIE

Carrie Underwood of Checotah, OK receives more text-message votes than Bo Bice, thus winning the title of **American Idol**.

THE T'S ARE SILENT

Making the transition from fake field reporter to imitation anchor man, **Stephen Colbert** leaves Comedy Central's **Daily Show** for his own gig, **The Colbert Report**.

A BITTER PILL

OH, GROW UP!

In the sixth season of **The Gilmore Girls**, **Rory** and **Lorelai** have a big fight that turns their usually-witty banter into weeks of icy bitterness. Luckily, everything goes back to its **relative normalcy** after **Rory** turns 21 and everyone starts acting like adults.

PARTY LIKE IT'S 1979

After eight seasons and 200 episodes we bid farewell to **Eric**, **Donna**, **Hyde**, **Kelso**, **Jackie** and **Fez** as **That '70s Show** can't escape the inevitable: 1980.

EVERYBODY HATES CHRIS

Based on his childhood, **Chris Rock** narrates this hilarious story of a teenager **growing up** in **Brooklyn, NY**, in the '80s.

TRENDS

It seems everything old is new again - the 1980s saw a huge revival in the trends of 2006. VH1 provided the road-map with their "I Love the '80s" series, and suddenly the fashion police stopped issuing tickets for leg warmers and big sunglasses. Other decades were mined for pop culture as well - a Mustang from the '60s, basketball sneakers from the '20s, and a hobby formerly reserved for women in their 70s.

THE NEW BLACK Boys contribute to the '80s revival by being "pretty in pink." And "tough," just like the pretty pink t-shirt says.

THIS EXPLAINS THE BIG PURSE TREND, TOO. Inspired by paparazzi-dodging celebrities and '80s fashion, big sunglasses get tons of face time this year.

BLOGAPALLOOZA

Services like **Xanga**®, **MySpace**® and **Blogger**® make setting up a weblog free and easy, giving anyone with Internet access the opportunity to have an online presence. Now your deepest, darkest secrets can be *shared with the world*. Just like that time your friend Jamie told everyone you wet the bed at her sleepover!

POD-CASTING

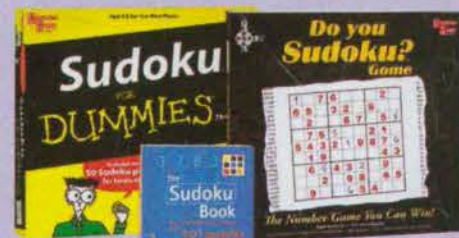

Tech-savvy teens with something to say launch their own **podcasts**, delivering their message to a limitless audience via the Internet. Over **one million listeners** latch on to the concept almost overnight, making podcasting almost as popular as blogging.

Big bracelets are a big hit! You can't go too big or too bold, just as long as you have a big necklace to match!

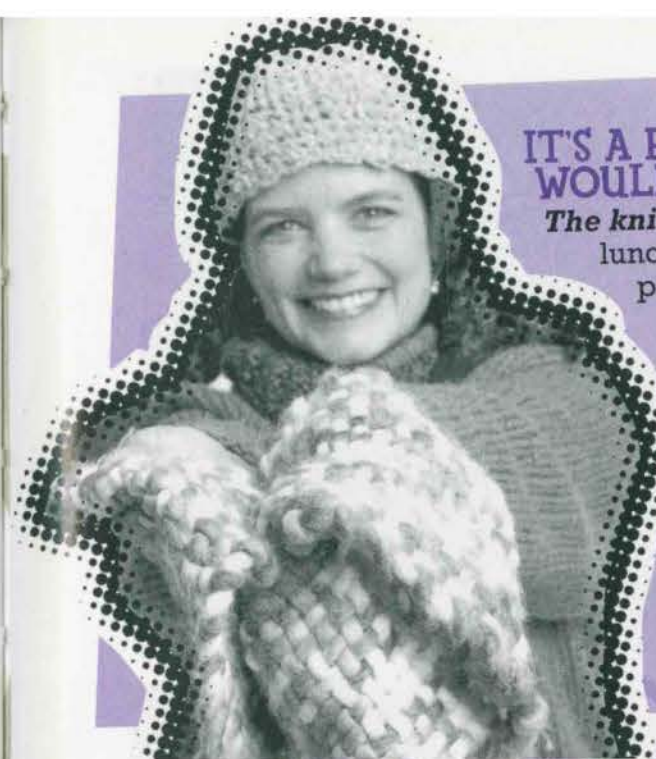

CROSSWORDS FOR PEOPLE WHO NOT WORD SO GOOD

Like crossword puzzles but hate to spell? You're not alone. Japanese **Sudoku** puzzles give number-crunchers something they can wrap their heads around.

BLAME DAISY

With the popularity of **The Dukes of Hazzard** movie, a full-on western fashion trend is inevitable. **Boots, hats, belt buckles** and western shirts go mainstream.

IT'S A PURL THING, YOU WOULDN'T UNDERSTAND.

The knitting craze dominates lunch rooms and study periods. Ambitious "knit wits" branch out from potholders and scarves to create ponchos, doggie sweaters and even - yikes! - bikinis!

PHYSICAL ATTRACTION

After nearly 20 years of cold calves, **legwarmers** are finally back on the fashion radar. Bonus points if you knit your own!

CARE BEARS

The '80s would have been wrought with debauchery without them - these cuddly little moral compasses teach the importance of caring for others and sharing your special feelings.

THE HARDEST WORKING BRAND IN SHOE BUSINESS

Converse's® canvas **Chuck Taylor All-Star**™ shoes are never out of style, but with the rise of emo and '80s fashions, they're everywhere.

PONY EXPRESS

Ford® completely restyles their **Mustang**™ to harken back to the **original 1960s design**, calling it "retro-futurism." State-of-the-art production facilities improve the model's handling and ride.

CUTE BUT PSYCHO

It's **Happy Bunny**® is the reigning king (or queen?) of bitter and sweet, bringing the fine art of sarcasm to a whole new level.
